Sales Representatives

"UkraineMoves" is a new initiative in West-Ukraine which creates job opportunities for **people with a disability**. By means of a special developed tricycle people with a disability - in particular **koliasochnyki** (wheelchair users) sell products in the city centers of western Ukrainian cities.

"UkraineMoves" starts in Lviv, Uzhgorod and Mukachevo, and is offering job opportunities for ten entrepreneurial koliasochnyki or entrepreneurial people who have serious walking impairments. Desired age 18 to 35 years.

The sales representatives of UkraineMoves will sell products from the companies MTS, Life ;) and Kievstar; start packets, scratch cards and credit via a mobile distributing system.

When you are selected for UkraineMoves you will receive a coach and professional sales training. This is important, because your income consist of a fixed salary plus a bonus which depends on your sales performance. The more you sell, the more you earn. If you prove yourself, there are growth opportunities within the organisation.

If you work for "UkraineMoves", you will improve the attitude and opinion of the public towards other people with a disability!

We believe Ukraine is changing, but will go faster forward if you participate! UkraineMoves, and you?
